Foreword

In this our last year together.
We look back and see the shadows of our past. Sometimes they're good memories, sometimes they're not.

While we look to the future, we see that our past has been a help to us and not a hindrance.

Forever we shall remember our friends and acquaintances from our school life. Forever we will remember the experiences of our past. The memories will be with us always. May God bless you.

Love,
Karen

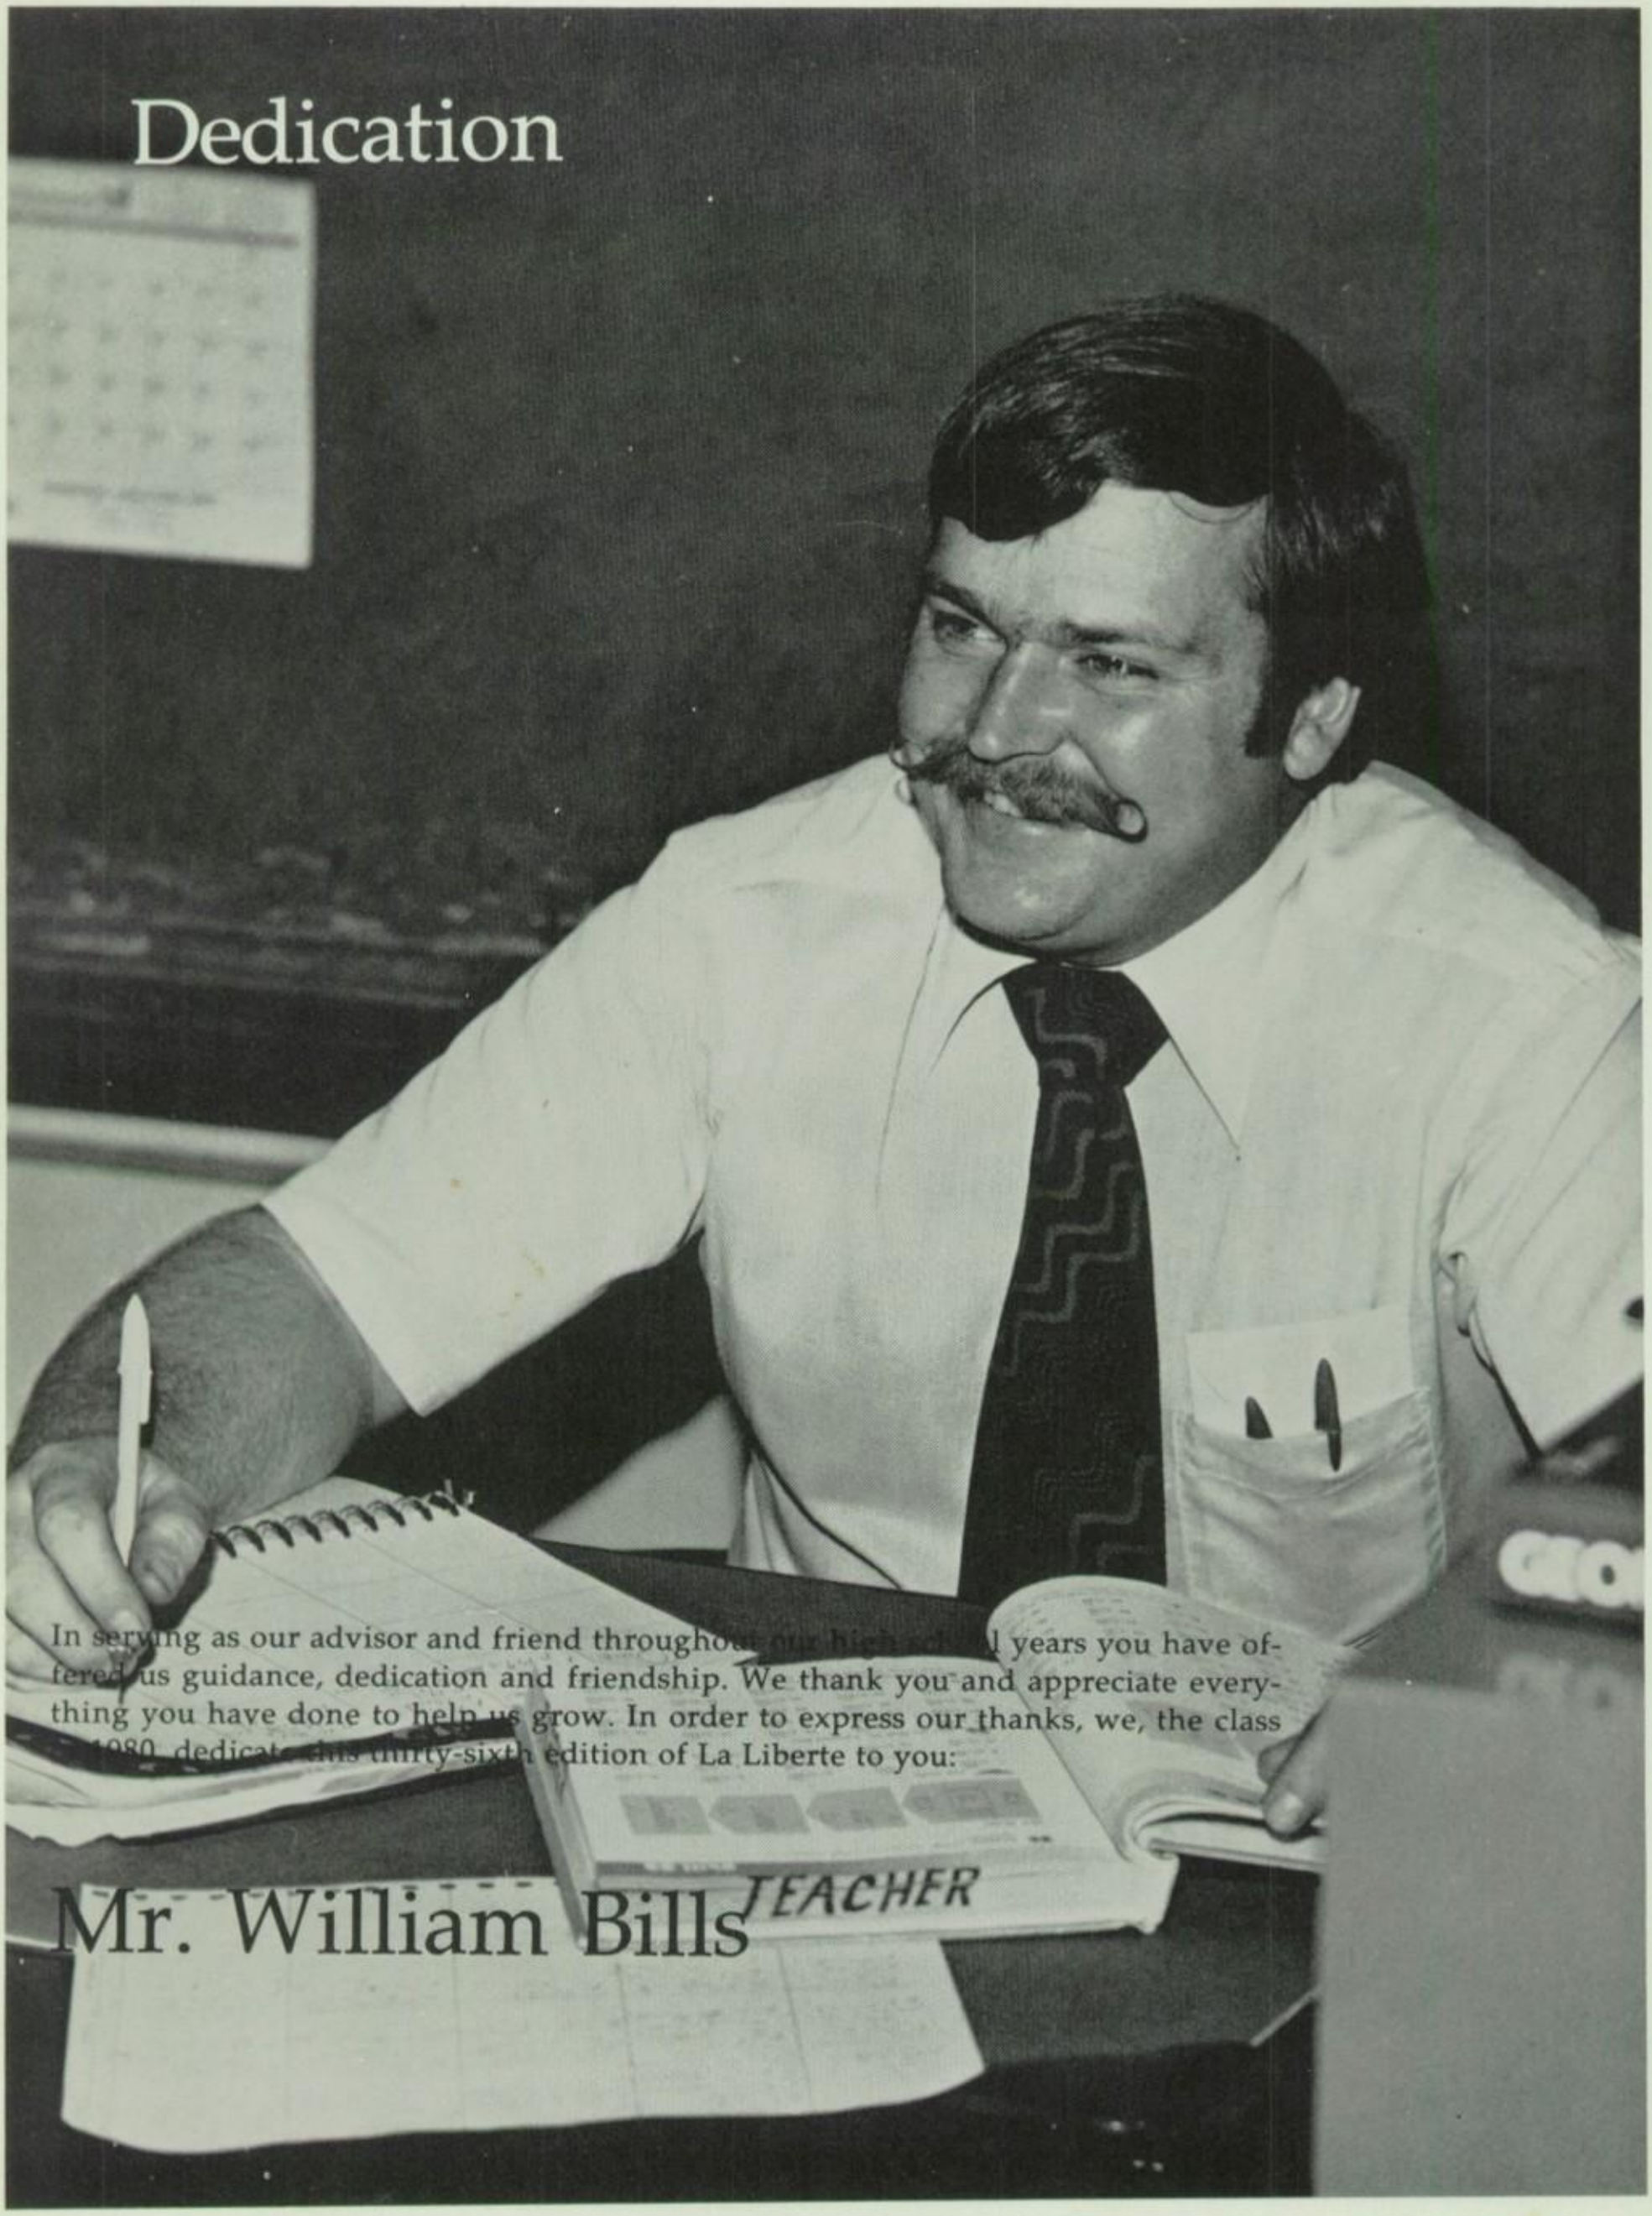
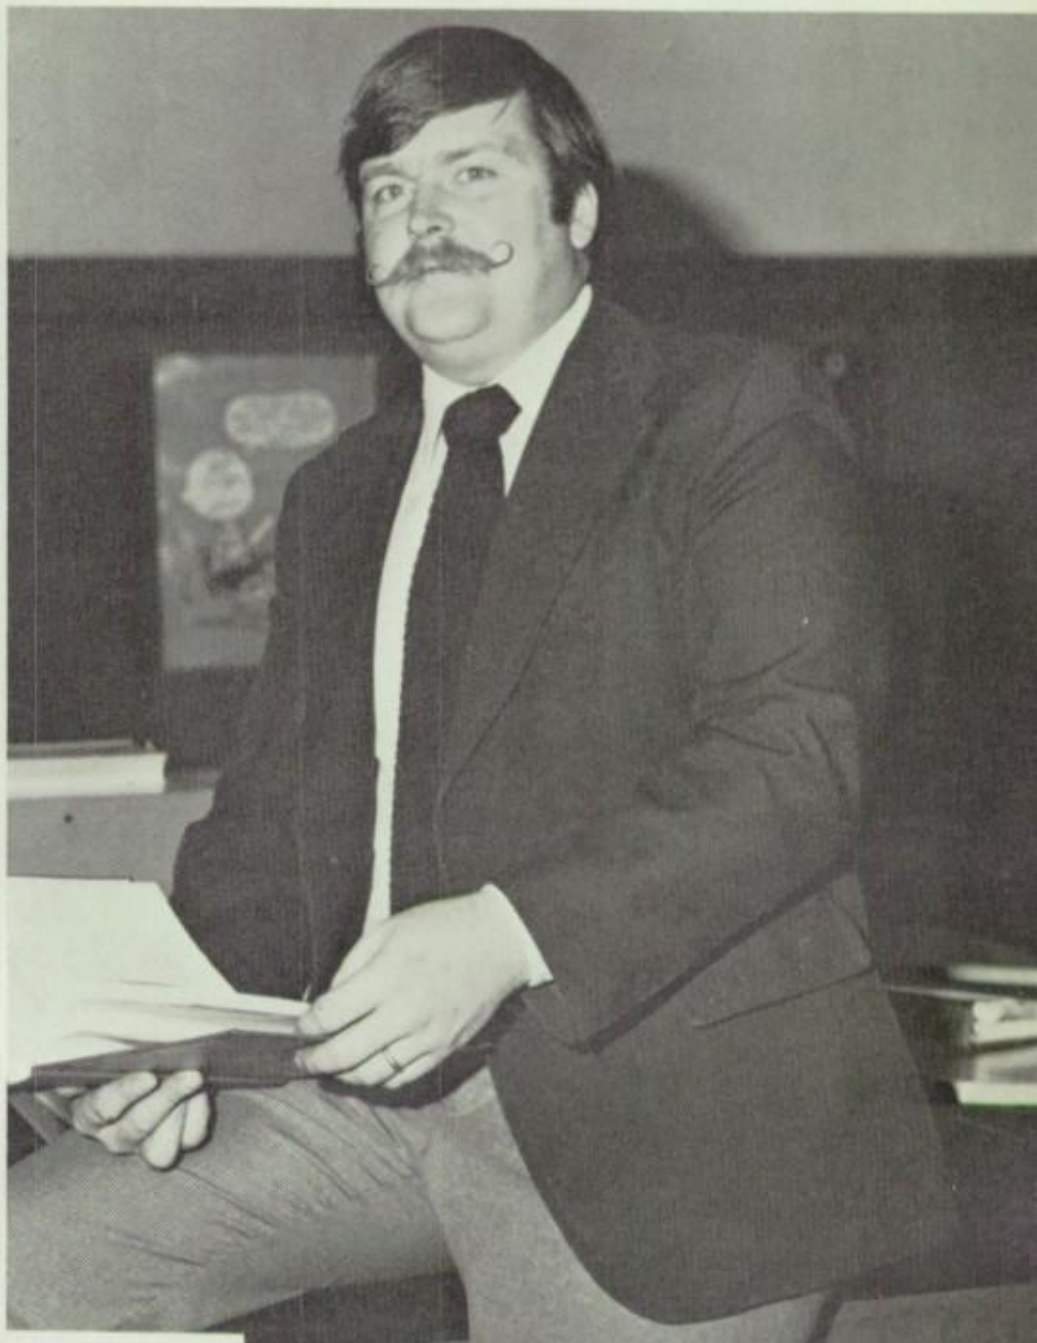
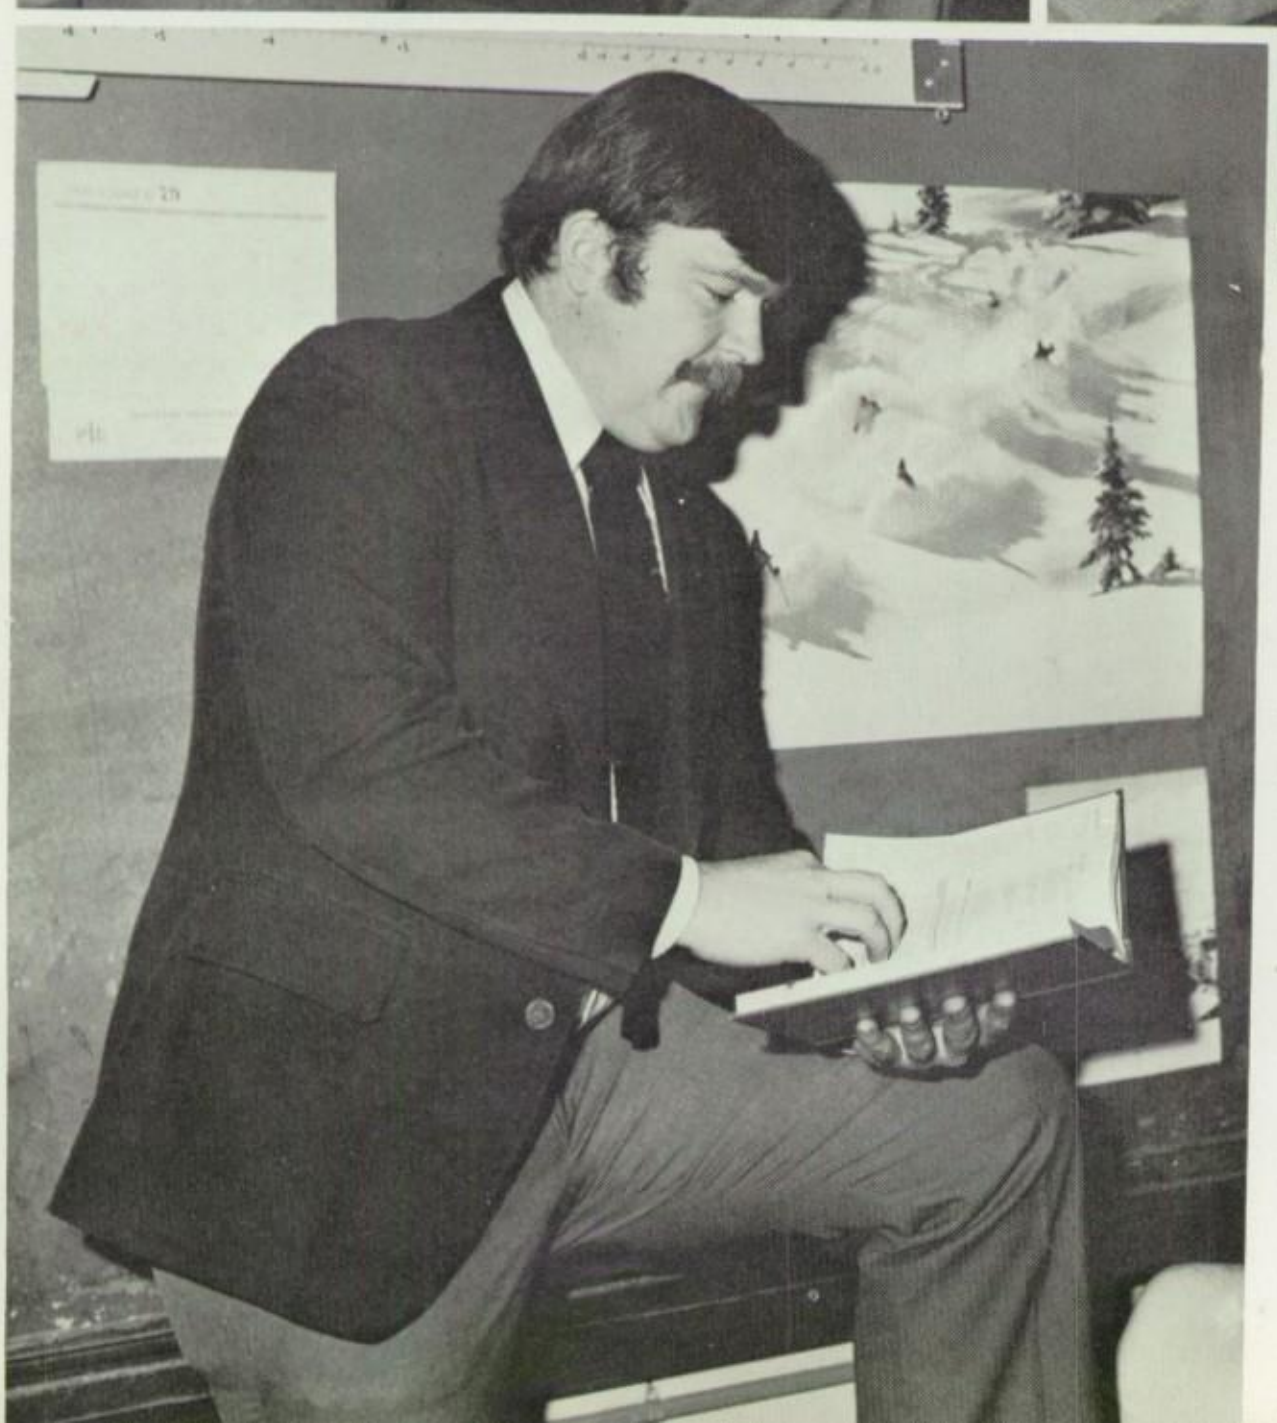
Dedication



In serving as our advisor and friend throughout our high school years you have offered us guidance, dedication and friendship. We thank you and appreciate everything you have done to help us grow. In order to express our thanks, we, the class of 1980, dedicate this thirty-sixth edition of La Liberte to you:

Mr. William Bills





In Memoriam

Remember me when I am gone away,
  Gone far away into the silent land;
  When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more day by day
  You tell me of our future that you plann'd:
  Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
  And afterwards remember, do not grieve:
  For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
  Than that you should remember and be sad.

Christina Georgina Rossetti

Even though you and I don't do get along sometimes we always have been friends. I guess that's good. Take Care Next Year and Keep in Touch and Remember Me

Senior Class History

Dear World:

It is hard to appreciate something until it has almost slipped away. My days at Brocton Central are quickly passing and it's funny how I don't want them to end.

I remember my first day in Brocton School, in September of 1967, the day I started kindergarten. I remember meeting other girls and boys, who are still my friends today, and though I am anxious to begin a new way of life, I will miss the friendships I've gained in school with my classmates, other students, faculty, and administration.

Entering high schoolwas one of the most memorable aspects of my school days. Our class was full of enthusiasm and a desire to succeed. We elected Mike Smith for the position of our class president, due to his experience in leadership in junior high. Also we elected Kathy Prince as Vice-President, Tammy Hipwell as Secretary and Sue Franze as Treasurer. Under the supervision of Mr. Bills, we sold pens and light bulbs, to raise one of the highest freshmen treasuries ever. Homecoming, too, was exciting when Tammy Hipwell and Gary Lus were chosen to represent us on the royal court.

We began our sophomore year pleased with last year's results and ready for more challenges. Mr. Bills was our advisor and the class elected Kim McKeever as President, Kathy Prince as Vice-President, Kim Morrison as secretary, and Sue Franze as Treasurer. This was the year that we selected and purchased our class rings, lifetime reminders of our school days. Gail Lindstrom and Mark Willey were chosen as our representatives at Homecoming. With thoughts of our senior trip already on our minds, we sold lightbulbs, popcorn, and Valvo's Easter candy.

Our junior year was the fullest year, by far. Judy Johnson was elected as President, Jeff Scott as Vice-President, Kim Morrison as Secretary, and Sue Franze as Treasurer. Our class representatives for Homecoming were Melinda Carr and Jeff Scott as attendants, and Gail Lindstrom as Queen, and Mike Smith as King. Once again under the guidance of Mr. Bills, we managed the football refreshment stand, had the traditional junior kit sale, and sold Easter candy, which, for the second time was a great success. In the spring, we honored the departing seniors with the junior-senior prom, held at the Holiday Inn in Fredonia. Our theme was "We've Only Just Begun", by the Carpenters, and our class colors were light blue and silver. This brings us to our final year. Mr. Petrella and Mr. Jones offered to be our advisors. Mike Smith was elected as President, Kathy Prince as Vice-President, Kim Morrison as Secretary, and Sue Franze as Treasurer. Marcia DeJoe and Bruce Neal were chosen as the senior attendants at Homecoming, and Dorothy Bonner and Willie Marshall were chosen as the Queen and King. Our senior play, "Jenny Kissed Me", directed by Mr. Bifaro and Dena Delcamp, was a big success and a lot of fun. Dorothy Bonner portrayed the character of Jenny. Other major roles were filled by, Mike Smith as Michael, Gary Lus as Father Monahan, and Debi Franklin as Mrs. Deazy. Also, we had a magazine sale, and sold candy bars and Brocton Bulldog hats. On Halloween we went to Perkins Pancake House for breakfast, then to Gowanda Institute, and on to Allegheny Park for a picnic lunch. Point-Chairman, Dale McFadden is busy totaling up points and profit now as we are now making plans to travel to Washington and Virginia Beach, in June for our senior trip.

Through all of this, we are heading toward our ultimate goal . . . graduation. We, the class of 1980, are enriched with the desire to succeed and we thank the faculty and administration of Brocton Central School for their teaching, discipline, and guidance throughout the years. It is true that "we've only just begun" our adult lives and are looking forward to many new experiences, but we will always remember our school days with fondness and appreciation.

Chris.
It's really hard to know what to say to someone who has been so special to me. I'm sorry for what happened and I'm even sorrier that it had to ruin some good friendships. I hope that everything can be forgotten and we can all be friends again. I really felt bad to think that I lost one of the good friends I have at Brocton. I'll always treasure the memories of when we were really close... at the basket ball games... in Mythology... the longs talks we've had and all the laughs we shared. You're a very special person and I only wish you the best. Good luck next year in whatever you do with your life and good luck with Sharon, I hope you two are very happy. Hope to see you at →

In 1869 Charles Welch helped his father pioneer a major American industry—the fruit juice industry—by pressing and, for the first time, pasteurizing the juice from 40 pounds of Concord grapes. Charles was 17 years old.

During his lifetime, Charles became a dentist, a business man, an editor, a religious leader and a patron of the arts. He even owned one of Western New York's first automobiles.

"Don't follow the crowd," C.E. once wrote one of his sons, "unless the crowd is right."

That's still pretty good counsel.
